

VILLAGE OF ELM GROVE

13600 Juneau Boulevard
Elm Grove, WI 53122

FINANCE COMMITTEE

Wednesday October 19, 2016* 7:00 PM * Park View Room

AGENDA

- 1. Call meeting to order.**
- 2. Discussion of proposed 2017 budget**

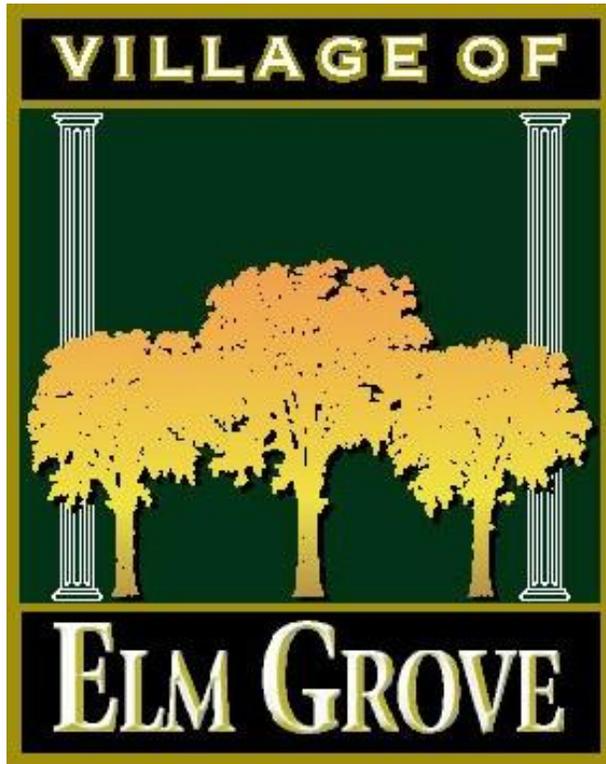

Documents:

*[2017 Proposed Budget draft 10-7-16.pdf](#)
[2017 budget workshop schedule.pdf](#)*

- 3. Other Business**
- 4. Adjournment**

Any person who has a qualifying disability as defined by the Americans with Disabilities Act who requires that the meeting or materials for the meeting has to be in an accessible location or format must contact the Village Clerk, Mary S. Stredni, at 262-782-6700 or 13600 Juneau Boulevard by 3:00 PM Friday prior to the meeting so that any necessary arrangements can be made to accommodate your request.

NOTICE: It is possible that members of, and possibly a quorum of, other governmental bodies of the Village may be in attendance at the above stated meeting to gather information. No action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to in the above notice

MEMO:

October 7, 2016

To: Village Trustees, Finance Committee

**From: David De Angelis, Village Manager
Monica Hughes, Finance Director**

RE: Village of Elm Grove 2017 Budget

Attached is a draft of the 2017 operating budget and capital budget for the years 2017-2021 for review and discussion at the October budget workshops. The state has continued to impose levy limits for local municipalities for 2017. The allowable increase is based on the percentage of net new construction value for the municipality plus a number of adjusting factors. The net new construction factor allows the Village of Elm Grove to increase its levy by 1.01% or \$67,679. Other adjusting items, including last year's available but unused levy, allow the village to increase an additional \$22,149 or a total of \$89,828. The January 1, 2016 assessment value of village properties has increased .35% over the final 2015 value or \$3,769,000. The village is moving to a full assessment every other year and this represents a year that values were unchanged, unless the property had building alterations or a sale. An increase in value will cause a decrease in the tax rate per \$1,000 at the same levy dollars.

This budget currently includes a tax levy of \$6,790,300 which is an increase of \$89,430 or 1.31% over last year. At this current level, the levy is within the state levy limits and meets estimated expenditure restraint limits under the revised program guidelines. Both the levy limit increase and the expenditure restraint increase are dependent on the net new construction number. Our net new construction growth was 1.01% this year which included a correction of the prior year assessment filing. The budget was developed to fund current year operations including a 10% increase to health insurance and no increase to employee wages. The village is currently exploring healthcare plan options with our current carrier and premium sharing. It is anticipated that the rates will be less and could be redirected to employee wage increases if supported by the Administrative and Personnel Committee and Village Board.

This budget also includes a reduction in the sewer taxes levied for the MMSD capital charge. The levy was reduced from \$1,500,000 to \$1,425,000 to allow levy dollars to be directed to other funds. The additional capital charge will be funded by the user fees which will increase slightly in 2017, \$.20. This is possible because the last payment was made on the sewer debt in 2016 and still allows \$300,000 to rebuild the funds used for the Underwood Creek Interceptor project completed in 2016.

The capital budget was first reviewed in September and identified a tax levy needed of \$741,750. A number of changes have been made, which include

- moving the DPW excavator from 2021 to 2022,
- increasing the cost of the ambulance from \$155,000 to \$225,000 but also moving it from 2020 to 2021,
- moving the DPW truck with swap attachments from 2017 to 2018
- and transferring estimated \$105,000 of general operating funds from the 2016 budget to the capital to fund the Watertown Plank Road Bridge

The capital budget, as adjusted, now would require a tax levy of \$609,500.

As noted in prior years the Village policy has been to prepare a draft of the budget for discussion in detail during October. At the same time certain important budget elements are not known and estimates must be used until further information is provided. There are still a number of items that staff will continue to look at during the next few weeks and may provide additional information at upcoming workshops.

To fund this budget as presented will require a tax levy increase of \$89,430. As demonstrated below the following change in tax levy dollars would be needed:

Change in Tax Levy by fund	
General Fund	103,980
Library	28,675
EMS	6,775
Sewer Fund	(75,000)
5 Year Capital Fund	25,000
total increase	89,430

This draft budget reflects the following significant items:

1. The use of \$100,000 of available fund balance in the general fund for contingency as we have in past budgets.
2. It also includes the use of fund balance of \$5000 in EMS fund and \$920 for the Stormwater Fund.
3. This budget includes the use of \$75,000 for general fund operations which is the principal amount scheduled for payback of funds advanced for the limited municipal water project. This is being paid by the increment generated on the Heritage property. Using the payback of this advancement to fund the general fund operation began in 2011 to offset decreased state aid and to reduce the general fund balance.
4. No wage increases have been included.
5. The library combined 2 part-time positions into 1 full-time position including benefits during 2016. A public works employee became the general maintenance employee. A portion of his time, 25%, is budgeted in 2017 in public works. His public works position was also filled. A part-time position in the police department has been eliminated.
6. Required contributions to the state retirement plan, WRS, will increase by .4% of payroll for the general category, to 13.6% and by 1.62% to 17.8% for protective services. Of these increases employees will pay an additional .2%
7. Elections in 2017 are budgeted to cover 2 elections as compared to 4 in 2016, which included a presidential.
8. The dispatch budget includes a new line for annual 911 costs of \$18,000. The village partnered with the City of Muskego and Village of Mukwonago for purchase of new 911 equipment.
9. Residential user fees are projected to be \$672.72 as identified below- approximately the same as 2016

Proposed Fees include in budget	2017	2016	change
Sewer	\$304.16	\$303.96	0.20
Stormwater	130.32	129.04	1.28
Solid Waste	238.24	238.92	(0.68)
Total annual fee	\$672.72	\$671.92	\$0.80
amount per month for fees	\$56.06	\$55.99	

10. Interest earnings continue to provide only a small amount of revenue as compared to a number of years ago. The current year has seen slight increase in earning through the local government

investment pool. The village also continues to invest funds in certificates of deposit to generate a higher rate of return.

11. The general fund reflects interest earnings of 3% for funds advanced to the municipal water project, which are providing a substantially larger return than the investment of those funds in the market.
12. State shared revenue will remain the same as 2016 at \$80,235.
13. Expenditure restraint aid is budget at \$102,950 as compared to 2016 at \$103,785. The state allocates a set number of dollars to this program and as more municipalities qualify the dollars are allocated proportionately. The state allocation has not increased in years.
14. General transportation aid will remain approximately the same at \$362,150.
15. The village contracts with SafeBuilt for building inspection services. A new contract and revised fee schedule were implemented during 2016 and the 2017 budget reflects estimated revenue and expense under the new structure. It is anticipated that the building permit revenue will remain approximately the same but electrical and plumbing revenue will increase. Expenditures will correspondingly increase for this contracted service.
16. The paving budget for 2017 is \$160,000, an increase of \$15,000 over the 2016 budget. The budget also reflects anticipated grant fund of \$22,000 from the local road improvement fund. Due to the increased costs of materials and the condition of Village roads staff feels it is important to increase funding to this area over the next few years to keep up with inflation. This proves to be challenging due to expenditure restraint. Staff feels this expenditure line needs to continue to increase over the next few years to a level of \$200,000 annually.
17. New equipment requests are included in the capital budget

Sewer Fund

The sewer budget reflects a current year capital charge of \$1,587,300 for 2017, down from \$1,606,740 in 2016. This charge is based on the Village's equalized property values and MMSD capital budgeting. The village is charged a rate per \$1,000 of equalized value. The rate decreased from 1.530 to 1.477. The capital charge changes annually as MMSD evaluates and prioritizes its needed projects. The projected rate for next year is \$1.539 generating a capital charge of \$1,703,000 before returning to 1.42 in 2019. This is an ongoing expense to village property owners charged by MMSD. The Village has funded a substantial portion of this charge through the tax levy in the past. This year's budget includes a sewer levy of \$1,425,000 a reduction from 2016. The Village made its final payment in 2016 on its sewer debt from 1996. Due to debt refunding, the payments had decreased each year which has allowed the village to fund part of the increased capital charge on the user fee without a large increase to the fee. The sewer levy will be \$1.36 per \$1000.

The village continues to participate in the partnership program with MMSD to address private property infiltration. The budget currently does not reflect any revenue or expense for the next phase of the program as we await word from MMSD on the funds which will be available in 2017. A budget amendment would then be made in 2017 upon project approval for expenses and corresponding revenue reimbursement from MMSD.

During 2016 \$784,000 was budgeted for the Pilgrim Road Underwood Creek Interceptor project being done in conjunction with Brookfield. We share in the costs of this interceptor and will be responsible for 28% of the estimated cost of \$2.8 million. Available funds in the sewer fund were used to finance this project. With the final payment of the sewer debt in 2016 the village planned to rebuild the fund balance with user fees previously allocated to debt over the next few years. As this project demonstrates, the village needs to have funds available for sewer repairs and reconstruction.

Library

The library budget will increase 4% in 2017. The budget includes the additional costs of changing two part-time positions to one full-time position with benefits. This was approved by the library board as of July 1, 2016. In past years the library fund had accumulated a balance which was then used to offset part of the levy required to fund this budget. The levy required will need to increase from \$350,000 to \$378,675.

Capital Fund

During the September capital budget the proposed items were reviewed and discussed. The levy required at that time in the submitted budget was \$741,750. The current budget proposes a capital levy of \$609,500 as

compared to \$584,500 last year. As indicated earlier a number of changes have been made since the September meeting.

Debt Service

There is no current tax levy for debt service. As mentioned above, the Village had general obligation debt for the sewer fund which was paid off during 2016 resulting in a decrease for 2017 debt payments. The Village's other outstanding debt issuance is for the stormwater project. The cost of this debt is supported through the stormwater utility fee and the tax increment on the TIF district. This debt was refinanced in February of 2012 to take advantage of the favorable interest market providing substantial savings. The village's tax increment district will provide an increment large enough to support its debt obligation for 2017 due to a one time correction for 2015 but will not be sufficient in future years and funds will need to be advanced to the TIF. The debt service fund is estimated to have \$282,790 in available fund balance at the end of 2016 and an advancement to the TIF of \$590,921. As the TIF pays these funds back they also would be available for future use.

TIF Fund

As stated above the TIF was created to fund part of the flood management project. The value of the tax increment district went down in 2015 due to an error in the assessment values reported. TIF values are determined by August 1 each year. The village had not yet completed its assessment year and estimates were used which resulted in an understated TIF value and increment generated. Under the state process a one-time correction will be made this year resulting in an additional increment value for 2017. During 2016 the TIF increment was not sufficient to pay its portion of the stormwater project debt, it will be in 2017, but if there is no additional growth, would not be sufficient in future years. The increment generated from MSP/Heritage is estimated to be \$160,000 which will be used to repay the funds advanced to build the municipal water system and the Pay-Go obligation to the Heritage as agreed in the project plan. A payment plan has been developed to repay these obligations and will be evaluated annually if changes are needed. The Pay-Go obligation is only payable if increment is available.

This represents current information available for the 2017 budget. As additional information and numbers become available they will be provided to the committee for their review. Below is a chart identifying the major areas that contribute to the change in the tax levy. As noted this is a preliminary draft for review and discussion. Changes will be incorporated as additional information is available and/or recommendations made during the October review.

Below represents the allowable levy and the major components of the budget attributing to changes in the tax levy from the prior year

Tax Levy 2015	6,700,870
allowable increase	89,828

	21%

excess fund balance above 0.00

The Village has adopted a fund balance policy identifying parameters for the unassigned balance to be within 15%-25% of the following year's general fund expenditure budget. It also identifies an overall limit to "unrestricted" general fund balance of not greater than 30%. If the Village exceeds these limits the policy recommends that the finance committee and Village board review the long-term needs of the village and develop a plan to bring the fund balance into compliance.

**Village of Elm Grove
General Government**

Department Description: The General Government category encompasses the activities of the Village Board and its committees. This area also includes all duties of the Village Manager/ Treasurer, Village Clerk/Deputy Treasurer, Finance, Zoning, Assessment, general building maintenance and general office administration.

<u>PERSONNEL:</u>	Full-time Equivalency (FTE)
Village Manager/Treasurer	1
Village Clerk/Deputy Treasurer	1
Zoning Administrator/Assistant to the Village Manager	1
Finance Director	.75
General Maintenance Employee	1
Administrative Assistant (2 part-time)	1
Assessor	1
Total	6.75

Services/Duties

Due to the Village’s small size the people noted above all fall under the category of general government. One person, as compared to a department, usually has the responsibility for certain tasks with specific duties segregated to maintain controls and meet service needs.

- Village Board sets policy and is legislative governing body
- Village Manager responsible for
 - administration and enforcement of policies, programs and ordinances within Village
 - coordinates and supervises all village departments
 - official role of treasurer as defined by state statutes
 - emergency management director
- Village Clerk/Deputy Treasurer
 - Daily responsibilities of Treasurer and Clerk as defined in state statutes
 - Preparation of tax roll
 - Tax collection
 - Accounts payable function
 - Accounts receivable functions
 - Collection of fees
 - Cash management
 - Administration of licenses

- Elections
- Meeting notices and publications
- Records requests and retention
- Preparation of minutes of Village Board and committee meetings
- Required reporting to state of Wisconsin
- Finance Director
 - Maintenance of Village accounting records
 - Preparation of Village annual financial statement
 - Preparation of Village budget
 - Coordinate annual Village audit
 - Payroll administration
 - Employee benefit administration
- Zoning Administrator/ Assistant to Village Manager
 - Enforcement of building and zoning codes
 - Staff assistance to building board and planning commission
 - Coordinate building permits and projects submitted
 - Assist the Village Manager as needed
- Assessment services for improvements and annual Village-wide reassessment
- General facilities maintenance
- Administrative Assistant
 - Telephone and front office citizen assistance
 - Preparation of meeting materials
 - Assist with Property tax collection
 - Assist with collection of all fees and payments
 - Assist with recreation registration
 - Administer absentee voter ballots
 - Assist with building board and permits
 - Assist other department personnel with office tasks

Village of Elm Grove Dispatch Department

Department Description:

This budget identifies costs associated with maintaining the Dispatch Center, the community's only 24 hour/day, 7day/week link with their local government. Program also provides clerical and record keeping function to police; and communication services to Police, Fire and EMS Departments; and off-hours communications to Public Works and General Government. In 2016 the village partnered the City of Muskego and Village of Mukwonago on combined purchase of 911 system and equipment. The annual costs of this system are new beginning in 2017 and have been identified on a separate expenditure line.

PERSONNEL:

Dispatchers	6 FTE
-------------	-------

Services/Duties

DISPATCH:

- Receive and react to all citizen calls for service, information and emergency (911) assistance.
- Provide communications for Police, Fire, EMS;
- Provide after-hours service to Public Works and General Government.

CLERICAL:

- Perform all routine clerical services for Police Department, including the time-critical transcription of reports needed for court proceedings.
- Maintain numerous databases (ie: keyholders, master name index, home check list, etc.)
- Perform initial record keeping for Fire and EMS calls.
- Provide walk-in service for Police, EMS, and Fire.
- Provide after-hours security monitoring for entire complex, and at all times for officer's prisoner processing.

Village of Elm Grove Police Department

Department Description:

This program provides funding for costs associated with preventative patrol; criminal and traffic law enforcement; investigations; requests for assistance; community problem-solving; maintenance of the peace; prosecution of offenders; community education and awareness; records maintenance; and assistance to other Village Departments.

PERSONNEL:	Full-time Equivalency FTE
Police Chief	1
Assistant Chief	1
Lieutenant	1
Sergeant	3
Detective	1
Patrol Officers	10
Subtotal- sworn officers	17
IT manager	1
Administrative clerk	.4
Total	18.4

Services/Duties

PATROL:

High-visibility preventative patrol establishes a police presence and sense of security in the community, while officers are on watch for

- traffic, criminal and Village code violations,
- hazardous conditions;
- crime-inviting situations;
- persons in need of assistance;
- opportunities for citizen interaction.

TRAFFIC: Activities aimed at maintaining and improving traffic safety and orderliness.

Includes:

- accident investigation;
- traffic enforcement;
- parking enforcement;
- assisting motorists;
- investigating traffic complaints and suspicious vehicles;
- bicycle code enforcement;
- traffic management at special (planned or unplanned) events.

CRIMINAL:

- Investigation and reports on criminal activities;
- evidence processing and storage;

- felony and misdemeanor apprehensions;
- prisoner processing;
- non-arrest and juvenile dispositions;
- other investigations;
- field interviews;
- special details;
- case management;
- false alarm management.

ADMINISTRATIVE & GENERAL:

- Building and residential checks;
- animal calls;
- assist citizens;
- assist other Village Departments (including EMS as EMT-Basics);
- municipal & circuit court preparation and testimony;
- public relations;
- crime prevention;
- department administration- internal affairs, policy development, recruitment, coordination, training, personnel supervision and development;
- equipment service;
- planning and budgeting,
- records management
- supervision and management of dispatch
- management and scheduling of municipal court security.

Call Summary

Based on 2015 statistics-

- over 7,500 activities annually;
- investigating approximately 3,900 calls for service
- conduct approximately 28,000 business checks annually
- approximately 900 vacation home checks.
- Officers initiated approximately 3600 traffic contacts, annually.
- 2015 Police Annual Report is available on web-site providing more detail of department activities, statistics and personnel

		2,560,000	85,333

PERSONNEL: The department consists of approximately 38 volunteer members who are paid-on-call for response to emergency situations. The department's current membership includes

- Fire Chief- position is a .5 FTE paid position
- 1 fire inspector – paid an hourly wage
- Volunteer Paid on Call Members

Through the years the department has kept pace with changing technology in fire service by continuously upgrading volunteer training, personal equipment and apparatus. Each month the department trains on a different aspect of fire service operations, ranging from Hazmat Awareness to Rapid Intervention. The EGVFD has strong relations with its neighboring communities through joint training and Mutual Aid Response Agreements.

MISSION STATEMENT: The Elm Grove Volunteer Fire Department shall be comprised of a proficient team of fire service professionals, providing a quality service to the Village of Elm Grove, stressing safety for residents and department members.

Village of Elm Grove Solid Waste Department

The solid waste department includes the cost of residential trash and recycling pickup which the Village contracts and also the yard waste program. Residential trash and recycling removal is contracted through Johns Disposal Services. The contract provides “up the drive” service to residents. The contract includes an annual increase provision based on the CPI, consumer price index. Also included in the solid waste budget is the disposal of brush, logs, Christmas trees, leaves and grass clippings. The Village maintains a disposal facility at the public works yard for these items and also provides curb-side brush pickup to residents 3 times a year. The user fee supports both the contracted pickup and yard waste. The Village also receives a recycling rebate from Waukesha County annually on the amount of recycling process through the County.

PERSONNEL:

Yard Waste Facility Supervisor Part-time

Employee hours for this position provide an employee at the facility whenever it is available to residents to dispose of yard waste. This budget includes hours for works Saturdays from April through November, Sundays from 12pm-4pm and Tuesday and Thursday from 1-6pm. During the leaf season the facility would be open daily from 9-5pm to allow residents to dispose of leaves.

Costs of wages and benefits of Department of Public Works employees are transferred to this department for time spent handling the brush pickup and Christmas tree pickup. The department maintains a log of hours worked in this area and the transfers are dependent on this record. DPW equipment is used to maintain the yard facility and pick up brush.

**VILLAGE OF ELM GROVE
DEPARTMENT OF FORESTRY**

Department Description The Forestry budget includes tree planting, tree removal, tree maintenance, landscaping of Village properties, and responding to questions from Elm Grove residents.

PERSONNEL:

Forester	One full-time forester with a part-time seasonal employee.
----------	--

The position was changed from a part-time to a full-time after the retirement of a public works employee in 2008. It was determined that due to the extensive forestry work within the Village it would be beneficial to create a full-time position dedicated to forestry and not replace the public works position created due to a retirement. The forester position also assists with snow plowing and daytime firefighting.

The Forestry Department is responsible for tree trimming and removal of trees on Village property. Equipment is rented as needed for these tasks and outside services are contracted for removals if needed. The forestry department is assisted by public works when needed.

**Village of Elm Grove
Recreation Department**

2016 Participant information will be updated and presented at budget workshop

DEPARTMENT DESCRIPTION:

The Recreation Department provides funding for the operation, maintenance, and improvement of Village Recreation Department sponsored activities in the park.

PERSONNEL:

Full-time Equivalency FTE

Recreation Director	1
Recreation Supervisor	1 during season
Approx. 35 seasonal staff	15.5 during season

SERVICES:

The Recreation Department provides year-round recreation programs for people of all ages. The principal operating cost for the programs consists of hourly seasonal employees or contract program instructors. In addition to these organized programs, several groups use the park facilities for their programs, for example, the Elm Grove Soccer and Tennis Clubs. Furthermore, the department schedules gazebo and pool rental reservations. The department also runs adult sports leagues.

The Recreation Department consists of overseeing the Village parks which include:

- Pool Complex
- 6 soccer fields
- Playground Equipment
- 1 Sledding Hill
- 9 Tennis Courts
- 1 Ice Skating Rink
- 2 Gazebos
- 1 Educational Native Planting Area
- 1 Basketball Court
- Over 3 miles of pathway
- 2 Sand Volleyball Courts
- 2 Softball Diamonds

PROGRAM /ENROLLMENT SUMMARIES:

The Recreation Department offers several programs that run throughout the year. Below is a recap of the number of participants in 2014 - 2016.

	2014	2015	2016		2014	2015	2016
Swimming Lessons- group	373	384		Camp Elm Grove	138	139

VILLAGE OF ELM GROVE
Emergency Medical Services Fund

Department Description: This department is responsible for the emergency medical care of Village residents, business employees, and visitors 24 hours a day. The department is licensed at a paramedic level to provide advanced life support in medical emergencies.

The department is operated by volunteer paid-on-call personnel. In 2008 due to difficulty in staffing the department 24 hours a day and competition from neighboring communities for trained people the Village began paying volunteers \$84 per night to commit to being available in the 12 hour overnight period from 6pm to 6am 7 days a week.

The department operates 2 ambulances. Patients and/or their insurance companies are billed for services through a medical billing service.

Personnel:

EMS Director/ Medical Doctor	1
EMS Assistant Director/ Paramedic	1
Paramedics/ RNs	19
EMTs	13
Drivers	3

Elm Grove police officers, all of which are EMT's, respond to ambulance requests in advance of the civilian ambulance crew. One village employee EMT and one employee driver, respond to ambulance calls during their workday when possible.

Department Responsibilities

- Provide medical assistance as needed
- Scheduling of personnel
- Ambulance equipment stocking and maintenance
- Monthly training
- Coordinate license refresher courses with WCTC
- Pager and radio maintenance
- Completion of run reports
- Recruiting and training of new members
- Maintenance of attendance records for on call pay
- Community relations

VILLAGE OF ELM GROVE SEWER FUND

Department Description

The Elm Grove Sewer System was first installed in about 1939 in a portion of the Village that was then a part of the Town of Brookfield. Later the Village was incorporated and more sanitary districts were put in the Village along with an interceptor sewer in the early 1960's. The Village maintains all sewer lines within the Village and is part of the Milwaukee Metropolitan Sewage District (MMSD) for treatment. The Village pays an operating fee to MMSD for its operating costs and a capital charge based on the Village's equalized value to support the district capital. The Village has elected to include the major portion of capital charge in the tax levy and has a sewer user fee to cover the MMSD and Village operating costs, a portion of the debt from the MMSD settlement, and a portion of the capital charge.

During recent years the Village has invested substantial dollars in the system. It is the Village's policy to televise sewers in the areas being re-paved each year to determine any necessary repairs. The sewer system is cleaned on a 4 year rotating cycle. Individual property owners are responsible for the laterals from the Village sewer line to their building.

The Village is currently working in partnership with MMSD to resolve infiltration from private property. The Village will continue to use this program as funds are available. No specific project and dollars are budgeted in 2017 but an amendment may be proposed when available funds determined from MMSD. In 2016 the village in conjunction with the City of Brookfield has undertaken a project on the Underwood Creek Interceptor. The village is responsible for 28% of the estimated \$2.8 million dollar project. Available funds in the sewer fund will be used. The final payment on the sewer debt will be made in 2016. It is the intention to continue the sewer user fee to include these dollars to rebuild the available sewer funds for future repairs and upgrades.

Personnel:

Department of Public Works is responsible for the sewer system. Department personnel handle minor repairs, monitoring of system, investigation of sewer problems, maintenance and monitoring of bypass pumps. A transfer from the general fund to the sewer fund is made annually to account for public works employee time spent on sewer and also a portion of village management time. Annual cleaning and televising is contracted as are all major repairs.

Village of Elm Grove Stormwater Fund

Stormwater Operations

After severe flooding in 1997 and 1998, the Village set stormwater management as a top priority. The Village undertook an aggressive plan to purchase a number of properties and redesign the Village Park to provide detention facilities for stormwater and additional underground storm sewer in the downtown transport water through the commercial and dense residential area. This project was substantially completed in 2007. The Village has also addressed a number of smaller projects on its own. The Department of Public Works has done extensive work on the Village culverts and intends to continue to monitor and maintain these in future years. Stormwater projects on Verdant Drive, Victoria Circle, Pilgrim Parkway, Circle Drive, and a stream bank stabilization project north of the park have been completed, helping to control flooding in these areas.

In 2005 the Village implemented a stormwater utility fee to help pay for project costs. The Village also created a tax incremental district to pay a portion of the project costs. The project was been financed through general obligation bonds, grant funding, and available village funds, with the utility fee and future tax increments to be used to pay the debt obligations over a 20 year period.

This fund reports the annual operating costs associated with stormwater management, the revenue received through the stormwater utility fee and the payment of the debt funded with the utility fee. The fee is reviewed annually and adjusted as needed to meet the debt obligations and project costs. A preliminary schedule provided by the Village's financial advisors, Ehlers & Associates projected the annual fee for the debt term of 20 years. Tax levy dollars also support the stormwater operating costs.

Personnel:

Department of Public Works is responsible for the stormwater system. Department personnel handle most repairs including driveway culverts. A transfer from the general fund to the stormwater fund is made annually to account for public works employee time spent on stormwater and also a portion of village management time.

<u>Debt Service Fund Balance Summary</u>	
Balance at 1/1/16	879,835
revenue (per above)	1,111,846
expenditures	(1,109,544)
Est Balance at 12/31/16	882,137
Advanced to TIF fund	(590,921)
Est Available 12/31/16	291,216

Note: The debt obligations are being met through transfers from other funds; the sewer fund, the stormwater fund, and the TIF. The stormwater utility fee was implemented to pay a portion of the debt from the stormwater project with the remainder to be paid with increments generated in the TIF. Funds were advanced to the TIF to pay its portion of the stormwater debt until it begins to generate a positive cash flow. This allowed the village to borrow the funds internally instead of issuing a larger general obligation bonding.

Original TIF Plan -Funds were advanced from debt service instead of a larger borrowing to include capitalized interest. Funds are repaid with interest at Village's average earnings on the LGIP

TIF Amendment- The TIF was amended to build a limited municipal water system and developer incentives on the Heritage Project. The funds for the water system were advanced from the general fund and the developer incentives would be funded through a PayGo note

Properties within the initial municipal water area have the ability to connect at any time at their will. An initial connection charge was determined based on REUs at the time of construction and a 3% annual interest/carrying charge is being added to that charge. This 3% is not recognized as revenue on an annual basis as per the village ordinance there is no obligation for a property owner to ever connect. The advanced funds are now the obligation of the TIF. Upon connection an owner will pay the charge plus accrued interest which will be recognized in the current year and used to payback any remaining advanced funds.

Balance \$ 55,785 \$ 43,883 \$ 49,983 \$ 64,240

This fund is for gifts received by the library and is overseen by the Library Board. The Village does not budget for this fund on an annual basis because it is supported entirely through donations. The funds are part of the Village and are included in our financial reports. Per our auditors recommendation it should be included in the budget process through a year end budget amendment if it has not been previously budgeted. Above provides a summary of recent year's activity and the current year to date figures to allow the committee, board, and public to see the additional support our library receives. One of the major contributors is the Friends of the Elm Grove Library (FOEGL) and their fund raisers such as Lights of Love and the used book sale allow for substantial additions to materials in the library. They have also provided funds for the children's area and study room renovations and programs
