Good morning Jim,

Attached are the Traffic Volume Counts for both Mt. Kisco from September and Underwood Parkway from early November. The Average Daily Traffic (ADT) counts are as follows:

Mt. Kisco

(Mon-Fri) 336
(Sat-Sun) 786*

Underwood Pkwy

(Mon-Fri) 103
(Sat-Sun) 86

*The number for Mt. Kisco (Sat-Sun) was skewed based upon a sporting tournament happening in the park that weekend, so that number would realistically be closer to the 300 range as an estimate.

Thanks,

Richard Paul Jr
