SECTION 262.7 – CONDUCT OF TRANSIENT MERCHANTS

A. Prohibited Practices.

A transient merchant shall be prohibited from calling at any dwelling or other place between the hours of 9:00 p.m. and 9:00 a.m. except by appointment; calling at any dwelling or other place where a sign is displayed bearing the words "No Peddlers," "No Solicitors," or words of similar meaning; calling at the rear door of any dwelling place; or remaining on any premises after being asked to leave by the owner, occupant or other person having authority over such premises.

A transient merchant shall not misrepresent or make false, deceptive or misleading statements concerning the quality, quantity, or characteristics of any merchandise offered for sale, the purpose of his/her visit, his/her identity or the identity of the organization he/she represents. A charitable organization transient merchant shall specifically disclose what portion of the sale price of the merchandise being offered will actually be used for the charitable purpose for which the organization is soliciting. Said portion shall be expressed as a percentage of the sale prices of the merchandise.

No transient merchant shall impede the free use of sidewalks and streets by pedestrians and vehicles. Where sales are made from vehicles, all traffic and parking regulations shall be observed.

No transient merchant shall make any loud noises or use any sound amplifying device to attract customers if the noise produced is capable of being plainly heard outside a one-hundred-foot radius of the source.

5. No transient merchant shall allow rubbish or litter to accumulate in or around the area in which he/she is conducting business.

B. Disclosure requirements.

After the initial greeting, and before any other statement is made to a prospective customer, a transient merchant shall expressly disclose his/her name, the name of the company or organization he/she is affiliated with, if any, and the identify of goods or services he/she offers to sell.

If any sale of merchandise is made by a transient merchant, or any offer for the later delivery of merchandise is taken by the seller, the buyer shall have the right to cancel said transaction if it involves the extension of credit or is a cash transaction of more than \$25. In accordance with the procedure set forth in § 423.203, Wis. Stats., the seller shall give the buyer two copies of a typed or printed notice of that fact. [§§ 423.203(1)(a), (b) and (c), and (3), Wis. Stats.]

If the transient merchant takes a sales order for the later delivery of merchandise, he/she shall, at the time the order is taken, provide the buyer with a written statement containing the terms of the agreement, the amount paid in advance (whether full, partial, or no advance payment is made), the name, address and telephone number of the seller, the delivery or performance date, and whether a guarantee or warranty is provided and, if so, the terms thereof.

A transient merchant must have the Village of Elm Grove Transient Merchant Identification Card in plain view on the front of the person with the name and photo unobstructed at all times. Failure to do so will result in revocation of the permit in addition to penalties set forth in §262-10.
