WHEREAS, the future prosperity and livability of Eastern Waukesha County and the Village of Elm Grove are dependent on a balanced and efficient transportation system and a healthy economic environment; and

WHEREAS, after careful study, community discussions and deliberations including representatives from Waukesha County and the Wisconsin Department of Transportation, the Bluemound Road Transportation system as included in the "Calhoun Road South Neighborhood Plan", July 17, 2001, recommends a split diamond interchange at Calhoun and Brookfield Roads, and the addition of an auxiliary off-ramp serving Executive Drive to reduce traffic on both Bluemound Road and Moorland Road; and

WHEREAS, additional improvements to arterial streets have been recommended in the Calhoun Road S. neighborhood plan, including extensions of Executive Drive to the North, Brookfield Road to the South and Wisconsin Avenue from Calhoun to Pilgrim to achieve the comprehensive objectives of this transportation initiative; and

WHEREAS, implementing these improvements will require the cooperation of neighboring jurisdictions, Waukesha County and the Wisconsin Department of Transportation; and

NOW THEREFORE BE IT RESOLVED that the Village of Elm Grove supports the City of Brookfield's requests that the WISDOT begin immediately the planning necessary to proceed with the studies necessary for a split diamond interchange at Calhoun Road and Brookfield Road and a redesign of the Moorland Road Interchange to provide for an Executive Drive off-ramp option; and
