Elm Grove Residents

RE: Wisconsin Avenue Extension – Informational Community Open House

Dear Residents:

The Village of Elm Grove has been actively studying The City of Brookfield's request for the Village to allow the City to extend Wisconsin Avenue from its current location to Pilgrim Parkway at Watertown Plank Road as part of overall regional transportation improvements. This is a complicated issue with regards to traffic safety, traffic routing and business and personal access not only for the Village of Elm Grove, but also the entire area community.

As a party of interest, we would like your input and you are encouraged to attend the open house on:

Wednesday, November 16<sup>th</sup> from 5:00p.m. to 7:00p.m.  
Located in the O'Neil Room at Village Hall  
13600 Juneau Boulevard, Elm Grove, WI 53122

This is a unique opportunity for our Village, and your opinion is greatly valued. Potential road reconfigurations that have been evaluated to date will be on display and available for review. This information will be available on the Village's website after November 4<sup>th</sup> at [www.elmgrovewi.org](http://www.elmgrovewi.org). Approximate location of the Wisconsin Avenue extension is demonstrated on the reverse side of this letter.

Should you have any questions, please do not hesitate to contact me. I may be reached Monday through Friday, 8:00 a.m. to 4:30 p.m. at (262) 782-6700 or via email [ddeangelis@elmgrovewi.org](mailto:ddeangelis@elmgrovewi.org).

Sincerely,
