PUBLIC SAFETY COMMITTEE MEETING MINUTES

Monday, August 15, 2022 at 6:30PM

Present: Chair Trustee Kristina Sayas, Trustee Jennifer Stuckert, Trustee Mr. John Schindler

Absent: Committee members Barbara Decker, Margaret Thew, John Oliveri

Also Present: Police Chief Jason Kubiak and Fire Chief Kastenholz

No quorum present

It was determined no quorum present. The meeting started at 6:32p.m.

1. Review and approve minutes from July 18, 2022.

No quorum present for approval and would have to be tabled to next meeting.

Public Comment:

Donna Malone
3655 Lilly Rd. Brookfield

Discussed incident which happened with her husband on July 13th in which he was limited to a walker and fell while attempting cross Watertown Plank Rd. to access Silver Spur. Ms. Malone requested the committee to consider placing a handicap parking spot on Watertown Plank Rd. on the north side of street across from Silver Spur. Ms. Malone indicated there is no handicap parking on any nearby street and all other handicap parking spots are in private business parking lots.

2. Review and discuss traffic counter data and actions taken related to Marilyn Drive speed concerns.

Chief Kubiak briefly reviewed how the department respond to traffic complaints:

- The department receives a complaint directly (phone or walk in) or through committees.
- Officers are assigned to follow-up on the complaint and monitor traffic and enforce any violations.

- When the complaint information does not match with the officer's observations, a traffic monitoring system may be placed in the area to retrieve objective traffic data over a period of time.
 - After reviewing the data, officers may be assigned to monitor for violations at targeted times, based on the data, or the data may be used to explain to the complainant that the speed of vehicles may not match the caller's perception of vehicle speeds in the area.
 - In cases excessive violations, officers may be assigned to strict speed enforcement, subject to other calls for service. The department's portable speed feedback trailer may also be deployed in the area.
 - The goal is to deploy available resources to the areas that need it the most.
- Chief Kubiak stated given the reported speed problems on Marilyn Drive at the last committee meeting, the police department did the following:
- Assigned officers on seventeen different deployments for one to one and half hours (pending on other calls for service) during all days of the week at different times during day and evening hours. During those deployments officers reported only two to four vehicles traveling on the roadway throughout deployments, with most vehicles traveling no more than three to five mph over speed limit.
 - A traffic monitor was deployed from July 28 to Aug 3rd to collect traffic data on Marilyn Drive. Marilyn Drive data indicates that over an approximate seven day period 5.6% of the vehicles exceeded over 6 over speed tolerance. Chief Kubiak indicated this is a very low tolerance setting. Specifically, out of the 1,352 vehicles, 76 were in excess of the 6 over tolerance level. Using the same data over the same seven day period, when speed tolerance is increased to 9 over speed tolerance only 1.6% of the vehicles (22 vehicles) exceeded the 9 mph over. As far as some resident claims that vehicles are daily going 40 mph (15 over limit) or higher on Marilyn Drive, Chief Kubiak indicated the data did not reflect those claims. Chief Kubiak indicated the percentages of people exceeding speed limit were low in regards to enforcement rating, coupled with low traffic volume as a whole.
 - The department did deploy the speed feedback trailer on Marilyn Drive to help mitigate with those few vehicles that may be traveling at higher speeds.
 - The department also had Department of Public Works cut back brush at the Marilyn Drive near Hawthorne Drive turn so eastbound traffic turn warning signage could be more easily observed and to assist pedestrian and vehicular traffic in observing each other when making the turn.

Chief Kubiak indicated based on the aforementioned traffic data collected and using the criteria set in village draft policies regarding the installation of speed humps, Marilyn Drive would not be an eligible street for the installation of speed humps. Chief Kubiak further stated although the speed enforcement rating was low for Marilyn Drive, the department would continue to do intermittent speed enforcement and have a presence in the area.

Trustee Schindler did inquire the tolerance settings regarding the traffic data collection to which Chief Kubiak explained the tolerance is set relative to the actual speed limit posted and can be manually set in the software of the traffic monitoring device.

Trustee Sayas thanked Chief Kubiak for the explanation of data and aforementioned items to assist reducing speed and increasing safety on Marilyn Drive.

3. Review updated information pertaining to motorized scooters and ebikes in Village Park.

Chief Kubiak updated committee that per state statute motorized scooters and ebikes are allowed on roadways, bikeways and even sidewalks, referring to statutes provided in packet. There are some age restrictions on ebikes based on class of the ebike and that the municipality may by ordinance prohibit operation of ebike (with power unit in operation) on bikeways and pathways. Electric scooters may also be regulated by the municipality regarding their use on roadways, bike ways, pedestrian ways, and sidewalks if they so choose. Chief Kubiak briefly went over the Village ordinance 275-12 again, stating in regards to inquiries made at last month's meeting, ebikes were allowed in the Village Park but electric scooters were not. Chief Kubiak emphasized there have no other complaints of electric scooter use in the park and will continue to monitor.

4. Other Business.

Trustee Sayas stated she did receive an email today regarding a speed complaint and request for speed sign on Brojan Drive from Kathleen Carpenter at 1730 Brojan Drive. Carpenter claimed people at high rates of speed were using Brojan as a "cut through" to Pilgrim Parkway.

Chief Kubiak stated he would assign officers to the area to monitor/enforce to see if speed is a problem in the area.

Meeting ended at 7:04 PM.

Respectfully submitted,

Jason J. Kubiak
Chief of Police
