

Memo

To: Public Works Utilities Committee
From: David De Angelis, Village Manager, Richard Paul Jr., Director of Public Works
Date: June 18, 2021
Re: Public Works Agenda June Meeting

Item 3: Update on SSND revised stormwater plan and engineer review

Included in your packets is letter of review from Ruckert-Mielke. There will also be available exhibits at the meeting to reference as the committee performs their review and possible recommendation of approval of the development items.

Item 4: Update on Municipal Water – Wauwatosa

Included in your packet are the technical review of the water service request, follow up questions with annotated answers, and possible draft service area with staging. Mr. De Angelis is also working on a list of terms for possible agreements with the City of Wauwatosa and will be present to discuss current status and future process.

Item 5: Update on Streambank Stabilization Project

Included in your packet will be a couple of concept plans for the project that Inter Fluve has provided. The committee shall review and possibly recommend a direction to proceed.

Item 6: Review and possible recommendation of Pave Bid results

Included in your packet are the results of the Pave Bid for the Highland Dr project. The committee shall review the results and make a recommendation to the Board.

Item 7: Review of annual eCMAR Report

Included in your packet is the 2020 eCMAR report that is submitted to the DNR. The committee is encouraged to review the report but no action is necessary. This will go to the Board of Trustees meeting for adoption by resolution so it can be finalized in the WIDNR Switchboard entry site.

Item 8: Update on PP I/I

The committee will be updated on any new information regarding the program if it is made available by the meeting date and time.
