RE: Reinders Extension Agreement

---

**Item D:** Please find attached the existing extension agreement for the R&R Investments property, 13420 Watertown Plank Road. Mr. Reinders has requested for the Board of Trustees to consider approving an extension to the agreement with modified language which would allow for future extensions to perpetually renew themselves, unless due notice is provided by either party at a mutually agreed upon duration of time prior to the termination date. Mr. Reinders is comfortable with proceeding in good faith, acknowledging the existing agreement has terminated, and a new agreement will be drafted and agreed upon at a future date.
