

December 1, 2022

Sandee Policello
13600 Juneau Boulevard
Elm Grove, WI 53122

Dear Sandee,

On behalf of Elmbrook Humane Society, Inc. (EBHS), I am respectfully submitting a proposed services agreement for calendar year 2023.

We are pleased to submit a proposed services agreement for \$8,925 which reflects no increase from the 2022 services agreement.

We continue to assist residents of Elm Grove with many services including but not limited to:

- Picking up and caring for unclaimed domestic stray animals from Elm Grove during their State mandated stray hold period (4 days)
- Picking up and caring for injured and sick wildlife*
- Humane Officer service as needed
- Consultations to Elm Grove residents as to how to handle various matters related to wildlife and stray animals*
- Accepting animals who can no longer be cared for (relinquishment) thus encouraging responsible care vs. abandonment (saves financial resources for Elm Grove)*

*These services have and continue to be provided at no cost to the Village of Elm Grove.

Also to note, EBHS has not billed for qualifying costs under section 3.5 of the service agreement (costs outlined above in addition to the service amount as defined in section 1).

We enjoy working with Elm Grove residents and the partnership we have maintained for years with Village officials and look forward to our continued partnership on behalf of the community.

If I can be of further service, please contact me at 262-754-9137 or natalie@ebhs.org.

Best Regards,

Natalie Hoskins
Executive Director
