

Memo

To: Public Works Utilities Committee
From: David De Angelis, Village Manager, Richard Paul Jr., Director of Public Works
Date: February 10, 2023
Re: Public Works Agenda February Meeting

Item 3: Review and possible action on upgrades to SCADA system for the Forced Main Sanitary sewer pumps

Included in your packets is information regarding costs and details to upgrade our SCADA system (computer telemetry and components). The committee shall review the information and take action on progressing to the next step. Josh Voigt, the vendor that was selected to provide the quote will be available at the meeting to answer any questions the committee would have.

Item 4: Update on Gebhardt Rd reconstruction, realignment and pathway

Ruekert-Mielke is still working on the final design and have given us an update to the schedule that is included in your packets.

Item 5: Update on Municipal Water

Wauwatosa and Mandel continue to work on plans for the water main. They have completed their submission to the PSC.

Item 6: Update on PP I/I Project

Village Staff will meet with Ruekert-Mielke to discuss schedule and details of project.

Item 7: Update on Creek Daylighting Project

Staff will update the committee on status of project including demolition of One Hour Martinizing building at 13405 Watertown Plank Rd.
