Do you have any other comments you would like the Village President to know?

My family and I love living in Elm Grove. We are passionate about the Village and making sure it is a fantastic place to live for families for decades into the future. I am very interested in giving back to the Village based on my experiences living in the Village as well as through my professional career. I would like to serve on any of the committees checked above, or as a Village Trustee, should that opportunity become available now, or in the future. I appreciate your consideration! Please do not hesitate to reach out to me with any questions.

Thank you,  
Rusty
