## SPECIAL SKILLS/BACKGROUND

List any special skills or background you think would be helpful in this position:

My over twenty years of legal practice provides a useful skill set for me to serve the community. At Marquette, I took numerous courses in litigation, business and tax law, as well as served in the Milwaukee Public Defender's Office where I practiced under the state's student practice rules. After graduation, I served as a judicial law clerk for the Honorable Judges William Haese and Timothy Dugan and supported the Milwaukee County circuit court misdemeanor and small claims courts, providing research and drafting memos and legal opinions.

After that, I began private practice at a small boutique firm where the firm's focus was real estate and business law. My current legal practice has required me to acquire a wide breadth of knowledge in the area of real estate law, including tax foreclosure and eminent domain.

Why would you like to serve the Village of Elm Grove as Trustee:

My wife Stephanie and I have lived in the Village since 2004, when we bought our first, and only, home. We have two children currently attending Elmbrook schools. It has been the absolute joy of my life to raise a family in Elm Grove. I've had the pleasure of being a part of this community and, now that my kids are older, I want to give some of my extra time back. It's important to me that Elm Grove continues to be a unique place to live, have a family and grow old. I am confident my background will make me a strong member of the board and will allow me to work with the Village employees to address challenges facing our community. I would very much enjoy serving the residents of the Village to continue to ensure the quality of life in Elm Grove now, and into our future.
