RE: Demolition Submittal  
1745 West Moor  
Elm Grove, WI

1. Home is a 4 bedroom, 3 bath ranch style home. Home is vacant and in need of many repairs.
2. Floor plans of the existing home are not available. ~~Several pictures of the interior of the home are included.~~
3. Lot is to be divided into two lots and sold for single family development.
4.
  - A. Due and fair consideration has been given to use of existing home and it was found to be in age related disrepair, and would not allow for aging in place.
  - B. New construction of home would only enhance the surrounding properties and neighborhood.
  - C. We do not foresee any detrimental effects to the public interest.
  - D. Given the amount of needed repairs it is not economically feasible to restore the existing home.
5. Sewer lateral is to be disconnected and capped out by street.
6. The public way permit is included.
7. Pictures of house and existing road conditions are included.

8. The home and building materials will be responsibly recycled by TNT Services Inc. causing minimal dust particles. Louis Demonopolous 1705 West Moor Elm Grove will allow TNT Services to use their water connection and hose to control any particles.
9. The erosion control plan is included on building exhibit.
10. Basement and pool will be filled in with clean fill.
11. A list of names and addresses of surrounding properties is included.
12. A completed and signed Building Permit is included.
13. A completed and signed Demolition Permit Addendum has been included.
14. A permit fee has been included.
15. A \$2000.00 Public Disturbance Bond has been included.
16. A \$10,000.00 Cash Deposit has been included.
