

Memo

To: Public Works Utilities Committee
From: Thomas Harrigan, Village Manager, Richard Paul Jr., Director of Public Works
Date: February 9, 2024
Re: Public Works Agenda February Meeting

Item 3: Update on Highland Drive Pedestrian Pathway

Included in your packet are 90% plans and an updated schedule with e-mail communication from Peter Gesch of Ruekert-Mielke. Mr. Gesch will present the 90% plans to the committee with opportunity for discussion.

Item 4: Update on Municipal Water

The City of Wauwatosa has accepted dedication of the water main along Watertown Plank Rd and safe samples have been achieved, allowing the Watermark to proceed with their lateral connection. Samples from the connection to the Watermark will be determined by next week.

Item 5: Update on Underwood Creek Daylighting Project

Included in the packet is a Project Task Update document intended to inform the committee of the progress of the Underwood Creek Daylighting Project.

Item 6: Update from meeting with WE Energies

Included in your packet is a map of projects that WE Energies will be undertaking over the next couple of years to work towards reliability of services. This is part of a standard annual meeting with the Village but the timing allowed for some discussion on the more recent storm that impacted the Village. Trustee Hillman was in attendance along with Village Staff.

Item 7: Update on PP I/

The contract for the additional lateral televising has been signed with Rozga Plumbing and coordination with homeowners will commence soon. The contract price for the lateral televising is \$17,200 and includes 11 properties in the target areas.

Item 8: Update from Sustainability Committee

An update will be provided by a committee member.
