A Message from the Recreation Manager:

recreation@elmgrovewi.org

Hello Elm Grove Residents,

My name is Isabella Naughton and I have stepped into the Recreation Manager position here at the Village. Thank you to those who have welcomed me thus far, I am looking forward to being a part of this community and continuing to offer fantastic inclusive, accessible and exciting things through this Recreation Department.

As we look ahead to the warmer months, be sure to check out all of our fantastic offerings! We have some exciting special events like our Great Elm Grove Campout, 4th of July Family Fun Fest, and plenty more offerings!

Don't forget to get your Annual Pool Pass or get involved in everything our Aquatics department has to offer. We're also excited to bring back Tennis lessons and our Day Camp! Also be sure to book your outdoor gatherings at Village Park. Go online to reserve the space today! See the rest of our guide to find out more!

I'm looking forward to having a fantastic summer ahead of us!

Mission Statement:

The Village of Elm Grove's Recreation Department is committed to improving the quality of life for all residents of Elm Grove. This is accomplished by providing high quality parks and open spaces, facilities, programs and special events

General Information

Warm weather is right around the corner, so let's explore Elm Grove's Summer Recreation Guide! We're happy to feature many returning favorites. Don't wait to check them all out!

Eligibility for Programs

All Village of Elm Grove recreation programs are open to residents & non-residents. The Village of Elm Grove Recreation Department reserves the right to limit the number of non-residents in any program due to availability. For registration purposes a **RESIDENT** is anyone who lives within the boundaries of the Village of Elm Grove or pays property taxes to the Village of Elm Grove and the Elmbrook School District. A **non-resident** is anyone who does not reside within the boundaries of the Village of Elm Grove and the Elmbrook School District. Non-resident participants contribute an additional fee or surcharge to offset their non-tax status for programs.

Waiting Lists

If the class you wish to register for is full, you may place your name on the waiting list. Every effort will be made to accommodate those on the waiting lists. Should an opening occur, we will contact people in the order they were placed on the list. If numbers warrant, another class may be added.

Program Fees

Program fees and charges are assessed in order to help defray the cost of program operations. All non-resident program fees are 1.5 times those of residents. All non-resident facility rental fees and aquatic activities shall be 2 times those of residents.

All fees must be paid at the time of registration.

Cancellation of Programs

Programs may be cancelled due to low enrollment, inclement weather, or under extreme circumstances. Cancellation information may be obtained by calling the Recreation Department at 262-782-6700. If inclement weather causes cancellation of a class, effort will be made to schedule a makeup time if possible, except where noted in individual classes.

Program Leadership

Qualified, competent leadership is the key to any successful program! The Elm Grove Recreation Department attempts to employ such leaders in all of its programs. Our current instructors welcome the opportunity to discuss participant progress with parents. If you would like your child's instructor to contact you, or you feel you are qualified to lead, instruct, or officiate a specific program, please contact the Recreation Department at 262-782-6700.

Insurance

The Village of Elm Grove does not provide hospital, medical, dental, or accident insurance coverage for people participating in recreational programs or activities. Program participants and caretakers are strongly encouraged to obtain their own insurance coverage prior to the start of any program or activity and must assume risk for injuries. Absence of personal health insurance coverage does not make the Elm Grove Recreation Department responsible for payment of a participant's medical coverage.

Summer 2026 Employment:

Messages from Other Departments

Join the Elm Grove Citizens Police Academy!

The Elm Grove Police Department is excited to announce that we are now accepting applications for the 26th Citizens Police Academy class. This is your chance to get an inside look at law enforcement in our community. The 10-Week program will run on Wednesdays from April 15, 2026, to June 17, 2026 at 6:30pm concluding with a graduation banquet. You'll participate in a variety of engaging and educational sessions, including:

- Evidence Collection
- Use of Force
- Alcohol Awareness
- Court Procedures
- Crime Prevention and Criminal Investigation

Beyond the classroom, you'll get hands-on experience by riding along with officers, practicing at the shooting range, and observing our dispatch center.

The Citizen's Police Academy is a fantastic way to learn about the day-to-day work of our officers and build a stronger connection with the department. Space is limited, so we encourage you to apply soon. Applications can be obtained through the Elm Grove Police Department website under Community Relations Programs.

Join the Elm Grove Fire Department!

The EG Fire Department wants YOU to join our team!

SWIM LESSON FAQ

Weather Calls

When should I anticipate my child passing into the next level?

We advise you NOT to anticipate your child passing. Swim lessons are not like school and students progress at different rates. It is not unusual for your child to repeat the same level several times. Try not to compare your child with others and instead concentrate on their ability to physically and mentally perform each skill.

Parent Observation

Lessons may be observed from outside the pool fence. Parents must stay clear of the immediate surrounding pool deck and are not allowed in the splash pad area.

Swimmers are allowed on the deck 10 minutes before the start of the class, but are not allowed to enter the water.

There are no make-up lessons held due to inclement weather. Classes could be cancelled due to the following reasons:

- Moderate to heavy rain
- Thunder/lightning
- Air temperature below 65F
- Mechanical or facility issues

Every effort will be taken to make decisions on cancellations one half hour before each lesson start time. Weather can be unpredictable and changes quickly, please call the pool for cancellation information at 262-782-6940.

Beginner Chess Camp

This camp is intended for students in grades two through eight. It caters to all levels of ability, from beginners to those with ratings up to 1200. Students should arrive in class knowing how to move the pieces. For those who need instruction on piece movement, a free account at www.chesskid.com is highly recommended. The first six lessons on this site are interactive and teach students how to move each piece effectively. During the camp, there will be a well-rounded balance of instruction, drills, free play, and a chess tournament. The tournament aims to engage students and foster a competitive spirit. The top three students will receive a trophy, and all other participants will get a medal. Instruction in the camp will focus on mastery of board vision, openings, the five basic mates and the most used chess tactics. If you have any questions about the camp, please call 262-573-5624 or email bob@wisconsinscholasticchess.org.

Concussion Information

Due to the increase in concern for concussions in youth sports, there is now a Wisconsin Concussion Law. The Elm Grove Recreation Department requires all participants to review the concussion information prior to registering for programs. Participants' safety is our number one concern.

What is a concussion?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a head bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a "ding" or what seems to be a mild bump or blow to the head can be serious.

What are the signs and symptoms of a concussion?

Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below, they should be kept out of play the day of the injury until a healthcare professional experienced in evaluating concussions says they are symptom free and okay to return to play.

Symptoms reported by athletes:

- Headaches or pressure in the head
- Nausea or vomiting
- Balance problems or dizziness
- Blurry vision
- Sensitivity to noise
- Concentration or memory problems
- Confusion
- Feeling sluggish, hazy, or groggy

Signs observed by staff:

- Appear dazed or stunned
- Forgetfulness/ confusion
- Moves clumsily
- Answers questions slowly
- Loses consciousness
- Shows mood or behavior changes

[Learn more at: www.cdc.gov/concussions/headsup/youth.htm](http://www.cdc.gov/concussions/headsup/youth.htm)
www.wiaawi.org/health/concussions.aspx

Why Symptoms should be reported?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is healing, they are more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain and can be fatal.

Why should you be aware?

Wisconsin Act 172 relates to concussions and head injuries sustained in youth activities. The law requires all youth athletic organizations to educate coaches, athletes, and parents on the risks of concussions and head injuries and prohibits participation in a youth activity until the athlete and parent have signed agreement sheet indicating they have reviewed the concussion and head injury material. The law requires immediate removal of an individual from youth athletic activity if symptoms indicate a possible concussion. A person who has been removed from a youth activity for this reason may not participate again until they are evaluated by a health care provider and receive written clearance to return to the activity.

Concussion danger signs:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if they exhibit any of the following danger signs:

- One pupil larger than the other
- Cannot be awakened/ loss of consciousness
- A headache that gets worse or slurred speech
- Convulsions or seizures, repeated vomiting
- Cannot recognize people or places
- Becomes increasingly confused or agitated

Children and Teens Summer Reading Program

Make the Elm Grove Library part of your summer fun!

The summer library program for children and teens will begin on Monday, June 8. This year's theme is "Unearth a Story" so we will be digging into good books and exploring the past!

- Register for the summer reading program for extra motivation to keep reading all summer long.
- Drop in for special performances on Thursday mornings at 10:30. A variety of activities will be included such as a nature or wildlife center, an educational cultural program, an entertainer to make you smile, and more!
- Look for the return of favorite programs such as story time, therapy pets and others
- Teens will find information on summer volunteer opportunities at the library beginning in May.
- A detailed summer program guide will be available in April so you can plan the activities you want to be sure to attend.

Summer Reading at the Library for Adults

Looking to level up your reading this summer? Sign up for the Adult Summer Reading Challenge at the Elm Grove Public Library! Beginning Monday, June 8, anyone age 18+ can participate in the 2026 Summer Reading Challenge—no registration required. Simply stop by the library and pick up a Summer Reading Log at the reference desk.

Log your reading as you go and complete additional challenges to earn entries into prize drawings. The challenge will end Monday, August 3 and prize winners will be selected the following week.

Be sure to check out our adult library programs happening all summer long. From new-release movie showings to educational presentations, there's something for everyone—and you don't need a library card to attend. We hope to see you there. Happy reading!

First Friday Films at the Library

Join us for a monthly matinee film series just for adults. On the first Friday of every month at 1:00 p.m. we'll screen a new-release movie in the O'Neill Room—no waitlists, no hassle, just a great film on the big screen.

Bring a friend (or make a new one!) and sit back with free popcorn and water while you enjoy the show. Admission is free, and no RSVP is required.

Movie ratings and content vary, so films may not be suitable for all audiences. To see what's playing each month, check the library's program calendar.

2026 Dates: 7/10, 8/14, 9/4, 10/2, 11/6, 12/4

Cup of Health: A Public Health Series provided by Waukesha County Public Health Department

Join us on Tuesday afternoons at 1:30 p.m. for a free public health lecture presented by Waukesha County Public Health. Each session features expert insights on timely health topics—from improving your sleep quality to keeping your brain sharp as you age.

This informative lecture series is designed to help you make practical, healthy choices for everyday life. Registration is encouraged but not required, and you can sign up online through the library program calendar.

Don't miss this opportunity to invest in your health!

2026 Dates: 7/28 (Better Brain Health), 9/22 (Emergency Preparedness as We Age), 11/17 (Self-Care: Awareness, Acknowledgement, Action)

Floodplain Information:

The Village of Elm Grove has experienced several significant flooding events throughout its history, largely due to the impacts of heavy rainfall, stormwater runoff, and the Village's overall topography and soil makeup. The major contributors to flooding include Underwood Creek and the Dousman Ditch. As a result, the Village joined the Federal Emergency Management Agency's (FEMA) Community Rating System (CRS) in 2001. CRS is a voluntary incentive program that recognizes and encourages community floodplain management practices that exceed the minimum requirements of the National Flood Insurance Program (NFIP). As a CRS community, flood insurance premium rates are discounted as a result of the Village's past and continued efforts to reduce and avoid flood damage to insurable property.

Know your flood hazard:

FEMA maintains and updates flood maps, otherwise known as Flood Insurance Rate Maps (FIRMs) which show how likely it is for an area to flood. The Village's current FIRM went into effect in 2023. Any place with a 1% chance or higher of experiencing a flood each year is considered to have a high risk. FEMA's Flood Map Service Center (MSC) is the official online location to find all flood mapping products under the NFIP; however residents are encouraged to review physical copies of the Village's FIRM at Village Hall.

Obtain flood insurance:

Flood insurance is available to all property owners, renters and businesses. Homes and businesses in high risk flood areas with mortgages from government-backed lenders are required to have flood insurance. The NFIP is managed by FEMA and is delivered to the public by a network of more than 47 insurance companies. Most homeowners insurance does not cover flood damage so it is important to find a policy by visiting [floodsmart.gov](https://www.floodsmart.gov)

Important flood reminders

- When a flood occurs, "Turn around, don't drown." Over half of all flood-related deaths are due to walking into or near floodwaters. This is important near Underwood Creek and all roadside ditches and culverts.
- Take appropriate measures to protect your property from flooding. Make sure your yard slopes away from your home and that water has a place to drain. Please ensure that runoff will not negatively impact neighboring properties.
- Consider reducing impervious surfaces around your home, as water runs off concrete and asphalt almost immediately and can exceed the capacity of storm sewers quickly during heavy rains. Alternatives include rain gardens, vegetated swales, or pervious pavements which allow water to better absorb into the ground.
- Protect natural floodplain functions by ensuring proper erosion control during construction. This includes placement of silt fence and erosion control logs around construction sites.
