BS in Nursing. MS in Health Administration. I can offer a background of hard work, decision making and trustworthiness.

**Do you have any other volunteer experience?\***

BSN in Nursing; MS in Health Administration; I was the first member of the first Beautification committee. I was also Chair of the Indian Hills Beautification committee from the time of its inception. Also served. On the IH BOD for many years. Am currently a volunteer at Open Door Cafe, St. John's Cathedral. Former member of EG Junior Guild and EG Womens Club. Chaired the committee to build Tonawonda's play ground area and orchestrated the design. and building of Tonawondas school sign that exists today.

**Do you have any special skills for the assignment you requested?\***

Along with the help of a few female volunteers i physically cleared all the brush on Juneau Blvd, entrances to IH and created beds, electrified the walls, raised money for benches on the corners and planted and mulched and hung wreaths 30 years ago without any professional help. Also educated IH homeowners annually on removal and identification of buckthorn and garlic and worked with volunteers to remove these invasive species from all common areas.

**Do you have any other comments you would like the Village President to know?**

Love this village and while I physically can't do now what I did for 30 years as a volunteer I can offer history, ideas, and assist in less physical things the committee decides to pursue.
