## **Discussion of Elmbrook United Soccer Policy**

With the discussion of the possible ice rink being located on the soccer fields near the library I was able to locate the current policy with the Elmbrook United Soccer Club. The original policy was made in 2005 with a revision policy being submitted and approved in 2017. A committee member has asked that the committee look and discuss the policy and make a proposal for possible revisions and further discussion on what other teams and clubs do when using the courts and diamonds in the park.
