## **Review and Discuss Winterfest**

The Elm Grove Winterfest is tentatively scheduled for February 6<sup>th</sup>, 2021. Due to COVID-19 the Elm Grove Recreation Department will not be hosting any indoor activities during this event. Last year approximately 60-70 people attended Winterfest with the majority of attendees participating in the indoor activities. Without the indoor events and with COVID-19 still an issue I am requesting that the Recreation Committee give guidance on whether the event should be cancelled for 2021.
