

VILLAGE OF ELM GROVE UNDERWOOD CREEK DAYLIGHTING PROJECT

Name: Sarah Wynne Smith

I wish to remain anonymous

Address: 13380 Greenmor Dr

The current state of the creek is one of
 dilapidation and disrepair. The current proposed to
 daylight it will remove the exposure & add recreational
 value by connecting important E.G. pedestrian paths.

VILLAGE OF ELM GROVE
UNDERWOOD CREEK DAYLIGHTING PROJECT

Name: Robert Reineke

I wish to remain anonymous

Address: 820 Brimmer Dr.

The project has a terrific end goal. I believe that there are many more hurdles, especially environmentally, than the current presentation believes. I'd encourage the development of alternatives that avoid the dry cleaner site as an affordable alternative to avoid an environmental remediation program that is not approved by WQAN yet.
