Dear Mr. Harrigan-

Enclosed with this letter are two submittals; one for the Plan Commission meeting scheduled for Monday, May 6 and one for the Building Board meeting scheduled for Tuesday, May 7.

The contents of the submittal are the documents required for review and approval of a change in use/amendment to the existing operation and a building addition.

The owners look forward to working with the Village on this significant improvement to the property. Should you need clarification of anything contained or supplemental information to elaborate on its contents, feel free to reach out and it will be provided.
