Our volunteers need to work or live within the department’s established response area, be at least 18 years of age, have a valid Wisconsin Driver’s License, and pass a background check.

Upon acceptance, new members attend the one semester Firefighter I State Certification course at WCTC or MATC followed by Probationary Training held on Tuesday evenings at the Elm Grove Firehouse.

As part of your service training you will learn the following skills: Fire suppression techniques, search and rescue, vehicle extrication, firefighter survival skills, water supply operations, water/ice rescue and more.

If interested, as well as those interested in serving only on the EMS Service, please contact Chief Selzer at 262-782-6700, ext. 251 or email wselzer@elmgovewi.org

You will then be contacted with further information and the next steps.

Hello Elm Grove Residents,

Winter is here! I hope you enjoy this year’s winter’s Recreation Guide. Keep an eye out for some popular returning programs, such as knitting and Pilates.

Just a reminder that Adult Summer Softball sign-up will begin in January for returning teams. Don’t wait, leagues fill up FAST, as do pool and gazebo reservations. If you are looking to hold an event utilizing our facilities, we suggest signing up early.

Also, with the cold temperatures approaching, be sure to visit Village Park and enjoy all of the winter activities it has to offer, from sledding, to fishing, and skating. The park is a great place to spend some free time with the family.

Lastly, Splash Pad Construction is underway and will be ready for this SUMMER! The Recreation Department is still accepting donations so make sure to send in your donation to be permanently recognized on our donation board outside the Splash Pad! For more information or to donate, please visit www.elmgrovewi.org and MAKE A SPLASH!

Thank you for your continued support of the Elm Grove Recreation Department.

I look forward to meeting you all and hope to see you at our Winterfest February 1st!

Sincerely,

Jerod Mikkelsen

2020 reservations for picnic or pool rentals are made on a first-come, first-served basis and may be made as early as January 2, 2020.
Eligibility for Programs
All Village of Elm Grove recreation programs are open to residents & non-residents. The Village of Elm Grove Recreation Department reserves the right to limit the number of non-residents in any program. For registration purposes, a RESIDENT is anyone who lives within the boundaries of the Village of Elm Grove or pays property taxes to the Village of Elm Grove and the Elmbrook School District. A NON-RESIDENT is anyone who does not reside within the boundaries of the Village of Elm Grove and does not pay property taxes to the Village of Elm Grove AND the Elmbrook School District. Non-resident participants contribute an additional fee or surcharge to offset their non-tax status for programs.

Fees
Program fees and charges are assessed in order to help defray the cost of program operations. Non-resident fees are 1.5 times those of residents. ALL FEES MUST BE PAID AT THE TIME OF REGISTRATION.

Refund Policy
Persons registered for a program which is cancelled by the Recreation Department shall receive a full refund of fees or a credit for a future program, whichever the registrant prefers. If participants cancel their registration 14 days or more prior to the start of the program, they shall receive a refund plus a $5.00 service charge for each transaction, or a fee credit towards a future program, whichever the registrant prefers. NO REFUND OR CREDIT WILL BE ISSUED WITHIN 14 DAYS OF THE START OF CLASS. THERE IS NO PRORATION FOR CLASS FEES.

Cancellation of Programs
Programs may be cancelled for inclement weather or under extreme circumstances. When possible, cancellation information may be obtained by calling the Recreation Department at (262)782-6700. If inclement weather causes cancellation of a class, an effort will be made to schedule a makeup time if possible, except where noted in individual programs.

Accessibility
If you need special accommodations for participation in programs due to a disability, contact the Recreation Director at (262) 782-6700. Please give as much notice as possible.

Waiting Lists
If the class you wish to register for is full, you may place your name on our waiting list. Every effort will be made to accommodate those on the waiting lists. Should an opening occur, we will contact people in the order they were placed on the list. If numbers warrant it, another class may be added.

Program Leadership
Qualified, competent leadership is the key to any successful program! The Elm Grove Recreation Department attempts to employ such leaders in all of its programs. Our current instructors welcome the opportunity to discuss participants progress with parents. If you would like your child’s instructor to contact you, or if you feel you are qualified to lead, instruct, or officiate a specific program, please contact the Recreation Department.

Insurance
The Village of Elm Grove does not provide hospital, medical, dental, or accident insurance coverage for people participating in recreational programs or activities. Program participants are strongly encouraged to obtain their own insurance coverage prior to the start of any program or activity. Absence of personal health insurance coverage does not make the Elm Grove Recreation Department responsible for payment of a participant’s medical coverage. All participants in department sponsored activities must assume risk for all injuries. The Elm Grove Recreation Department will not be liable for personal liabilities or accidents.

Say Cheese!
For program promotion purposes, we will be photographing several of the activities & their participants. The photos have the potential to appear in future brochures & promotions. If you do not wish to have your photo taken, please notify the Recreation Department in advance.

Oops!
Occasionally there may be errors in the days, times, registration requirements, or fees noted in the brochure. If so, the Recreation Department will do everything possible to correct the situation promptly. Thank you for your patience and understanding should these situations arise.
• Proof of residency must be shown at resident registration.
• Registration is on a first come, first-served basis until the maximum number of participants is reached.
• Mail in and Drop Box registrations will be processed AFTER in person registrations.
• No registration will be held without payment.

Due to the increase in concern for concussions in youth sports, there is now a Wisconsin Concussion Law. The Elm Grove Recreation Department requires all participants to review the Concussion Information prior to registering for programs. Our participant’s safety is our number one concern!

WHAT IS A CONCUSSION?
A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding”, “getting your bell rung”, or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS & SYMPTOMS OF A CONCUSSION?
Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom free and they are OK to return to play.

SIGNS OBSERVED BY COACHING STAFF:
- Appear dazed or stunned
- Forgetfulness/confusion
- Moves clumsily
- Answers questions slowly
- Loses consciousness
- Shows mood or behavior changes

SYMPTOMS REPORTED BY ATHLETES:
- Headaches or pressure in the head
- Nausea or vomiting
- Balance problems or dizziness
- Blurry vision
- Sensitivity to noise
- Concentration or memory problems
- Confusion
- Feeling sluggish, hazy or groggy

CONCUSSION DANGER SIGNS
In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body they exhibit any of the following danger signs:
- One pupil larger than the other
- Cannot be awakened
- A headache that gets worse or slurred speech
- Convulsions or seizures, repeated vomiting
- Cannot recognize people or places
- Becomes increasingly confused or agitated
- Loses consciousness for any amount of time

WHY SYMPTOMS SHOULD BE REPORTED?
If an athlete has a concussion, his/her brain needs time to heal. While an athlete’s brain is healing, they are more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain and can even be fatal.

WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?
If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom free and are OK to return to play. Rest is the key to help an athlete recover. Exercise or activities that involve a lot of concentration may cause concussion symptoms to reappear or worsen. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

WHY SHOULD PARENTS & ATHLETES BE AWARE OF THIS INFORMATION?
Wisconsin Act 172 relates to concussions and head injuries sustained in youth activities. The law requires all youth athletic organizations to educate coaches, athletes and parents on the risks of concussions and head injuries and prohibits participation in a youth activity until the athlete and parent/guardian has returned a signed agreement sheet indicating they have reviewed the concussion and head injury material. The law requires immediate removal of an individual from youth athletic activity if symptoms indicate a possible concussion. A person who has been removed from a youth activity for this reason, may not participate again until /she is evaluated by a health care provider and receives written clearance to return to the activity.

Magical Merriment

Fairies, Wizards, Trolls, Dragons, Magicians…what type of magical creature would you want to be? Telling magical tales and exploring our own magical imaginations is key to unlocking the merriment. Each week, we will travel to magical lands and be magical characters. Students will have fun with dramatic play, story enactment, imagination journeys, theater games, singing, music, and movement. Think of it as a little bit of acting, a little bit of singing, a little bit of dancing, and a whole lot of fun. Adults come along for the fun in the 2 – 3 year old class.

Music & Me

Join us this session for some winter fun as we discover the basic music concepts through movement, singing, and rhythmic instruments. Float your scarves through the air like falling snowflakes along with us as we learn the difference between loud/soft, fast/slow, and high/low. Get ready to shake some shaker eggs and other instruments as we discover how to keep a steady beat to rhymes and songs about all our favorite winter activities and events.

Sledding Safety
What better way to enjoy winter that to get the whole family outside for a fun day of sledding! Put on the snowsuit, scarf, winter hat and gloves and bring your sled over to Elm Grove’s newly renovated sledding hill! While we still have the “Black Diamond” hill for those craving a bit of speed, we have also re-graded an extension with a much more gradual slope for our less experienced sledgers!

But before you go, please consider the below safety tips!

DRESS APPROPRIATELY
You can begin to show signs of frostbite quickly on cold days if your skin isn’t covered. Wear a winter coat, water resistant pants, gloves, hats and boots.

WEAR A HELMET
It can prevent a traumatic brain injury if you would have an accident! If you don’t have a helmet designated for winter sports use your bike helmet!

NOT TOO STEEP!
Sled on hills that flatten out at the bottom and are free of obstacles such as trees, fences, or boulders.

LOOK OUT! BE CAREFUL!
- Sled during daytime, or on hillsides that are well lit!
- Never sled head– first down a hill
- Choose a sled that is appropriate for your age, height, & weight!
- Never ride with more riders that the sled is designed to hold.
- Avoid tricks jumps or ramps!

As a reminder, TREES IN BAGS and TREES WITH LIGHTS ON THEM WILL NOT BE PICKED UP! After pick-up is complete, the Department of Public Works will not be back out to pick up trees again. The next opportunity for disposal will be during Recycle Center hours when they resume on Saturdays in March from 8am-4pm. Wreaths should be placed in garbage.

Adult Summer Softball

The fields might be frozen and covered in snow, but its already time to dust off your glove and bat and get your rosters in order! The Village of Elm Grove is in the process of organizing the 2020 Adult Softball League! We are allowing last year’s teams an early registration period for the 2020 season. Returning team managers/representatives will have until 4:30pm Friday, February 14th to register their teams in the league they participated in during the 2019 season. All early registration must be completed in person at Village Hall. Teams will not be allowed to switch leagues during this early registration period. New teams will not be accepted until Monday, February 17th. Entry fees must be paid in full at time of registration. (NO REGISTRATION WILL BE ACCEPTED WITHOUT FULL PAYMENT).

New teams may sign up beginning February 17th. This is on a first come first serve basis, and can be done online or in person. Registration will end Friday March 13th or when league limits are reached. If you have further questions, please feel free to call the Recreation Department at 262-782-6700.

SOME REMINDERS ABOUT “SNOW OPERATIONS”
As always, the Department of Public Works strives to maintain traffic flow and safety throughout the Village during snow events and when the storm subsides, to clean up the streets and cul de sacs as quickly as possible. To help the DPW plows complete their jobs efficiently and safely, please refrain from parking vehicles on the roadways whenever possible.

SNOW REMOVAL
Please help us serve you best by ensuring snow plow contractors and residents alike do not pile snow at the road edges or across the streets causing piles to obstruct traffic flow or push against mailboxes, street lights, etc. All snow that falls on a property should remain on that property. It is unlawful to deposit or leave snow in the roadway whether it be a snow plow or snow blower. Infractions may result in a citation. Contact the Department of Public Works if you have any questions.

FIRE HYDRANTS
If you have a fire hydrant in front of your property, it would be to your advantage to keep a path cleared to the hydrants and around it.

SOD DAMAGE
Unfortunately it is inevitable. The Village plows will at some time shave off the turf edge along the road edge during a snow plowing operation in some areas. X-Ray vision is still not available to the general public and due to the varying conditions in every snowfall...it happens. If you have sod damage occur, please call Village Hall to report it; and the crews will be out in the spring to make repairs as necessary. Our apologies ahead of time.

ROW MARKERS
If a resident feels that they will benefit from placing property markers along the road edge to assist the Village plow in defining the road edge, it is appreciated. However, we do ask that only breakaway markers be used (i.e. fiberglass or aluminum, etc.). These can be purchased at hardware and other home improvement stores. If there are any items placed in the ROW that are not breakaway materials, the DPW crews will remove and dispose of them (i.e. metal stakes, pipes, rocks, etc.)

SNOW EMERGENCY
Please remember there is NO PARKING on any Village street during snow emergencies. For information on snow emergencies check the local news stations or radio stations.

MAILBOX REPLACEMENT POLICY
Any mailbox and/ or post that is allegedly hit by a village plow should be called within 24 hours of the storm. Once called in, a Village representative will inspect the damage to confirm whether or not it was caused by the Village snow plow. IF it is determined that the Village caused the damage*, then:
Village will make an attempt to repair the existing mailbox and/ or post in a secure and workman like manner, or replace with a standard #1 rural mailbox and 4”x4” wooden post.
If a resident prefers to handle the repair on their own, they will be reimbursed up to $75 for materials only with a copy of the paid receipt. Receipt must be submitted to the Director of Public Works for approval. MAILBOXES NOT INSTALLED PER USPS SPECIFICATIONS WILL NOT BE REIMBURSED SHOULD DAMAGE OCCUR.
If the mailbox and/ or post damage is less than 1 year old, and proof of purchase is submitted, the Village will reimburse up to $150 for materials only, not to exceed original purchase price.
If the Public Works Department is unable to make the repair during the winter season, a temporary repair will be made or a temporary box will be placed.
* Village will only assume responsibility for mailboxes damaged by direct contact with snow plow equipment. If snow load (the load of the snow rolling off the plow) causes the damages, the Village will not assume responsibility.
Village Recycling Center/Yard Waste Facility (900 Wall St.)

The Village is very diligent in ensuring that the facility is available and maintained for the use of Village residents only. No contractors, contractors equipment or vehicles will be allowed in the facility. Please ensure that when visiting the facility, you have your Driver’s License ready with your current Elm Grove address. Attendants will reject anyone without proper identification.

The Village of Elm Grove has initiated flood mitigation projects in an effort to reduce the risk of flooding and improve flood risk awareness and preparedness in the Village. Floods are one of the most common hazards in the United States. The effects of floods can be local, impacting a neighborhood or community, or very large, affecting entire river basins and multiple states.

The current Flood Insurance Rate Map (FIRM, floodplain map) for the Village went into effect on November 5, 2014. The FIRM has taken into account the Village’s extensive flood mitigation efforts. The current floodplain maps as well as the current Flood Insurance Study (FIS) are available for viewing at Village Hall and the Elm Grove Public Library located at 13600 Juneau Blvd. You may also view the maps on the Village’s website www.elmgrovewi.org or may be accessed on FEMA’s webpage www.fema.gov. Village staff can assist you in determining if your property is located within the floodplain.

It is important to note that even though individual properties may not be included within the 100-yard floodplain boundary provided by FEMA, there is still a chance that your property may be at risk from flood damage. Homeowners within and outside of the floodplain may purchase flood insurance to protect their homes and their valuables. Insurance is available from the federal government or through a private insurance provider. If you already have flood insurance, check with your insurance provider to ensure that you have insurance on both your home and the contents within it. More information on flood insurance can be found at www.floodsmart.gov.

You can also take steps to reduce the risk of flood damage. These steps include: installing landscaping features to absorb excess water in the ground, directing downspouts away from the home, keeping window wells free of debris, properly disposing of grass clippings and other debris, and grading to direct water flow away from your home. Publications are available at Village Hall outlining various aspects of flooding. Village staff is also available to assist property owners and make recommendations on how to reduce flood risks.

Pictures of past flooding events are available for viewing at Village Hall. If you are interested in looking at photos from the 1973, 1998, 2007, 2008 or 2009 flooding events, please stop by the front desk of Village Hall and ask to view the Flooding Pictures.
