RE: School Sisters of Notre Dame Campus Redevelopment – Building Board Conceptual Review
Submittal

Dear Tom,

We are pleased to submit the enclosed information for the Building Board conceptual review of the School Sisters of Notre Dame campus redevelopment. We anticipate this review will be conducted at the October 6, 2020 Building Board meeting. The submittal includes the following documents:

- Development overview narrative (including density calculation)
- Site plan and renderings
- Traffic impact analysis and supplemental findings

Please contact me with any questions regarding the submittal.

Sincerely,

Phillip Aiello
Chief Operating Officer
