**Subject:** Michael Klein Letter of Support for Mandel Elm Grove Project

Dear Tom and Village Board Members,

I am unable to make the meeting tomorrow night, but I wanted to reach out to you to say that I am fully in support of Mandel Group's project located at the School Sisters of Notre Dame.

Mandel Group has been both a partner and a competitor in my business in Milwaukee and the surrounding areas, and if there was one group that I would want to be building the project in Elm Grove, it is the Mandel Group. They have proven over and over again that they build class A luxury communities and have the best property management business in Wisconsin.

I am beginning to raise a young family in Elm Grove, and Mandel's project will allow the village to thrive, instead of deteriorate like it has been for some time. The most critical aspect of the redevelopment is getting the village and surrounding areas municipal water service. The benefits of this will be seen for years to come.

Please contact me with any questions.

Thanks  
Mike
