

Exhibit C FUTURE LAND USE

- Village Boundary
 - Single Family Residential
 - Multifamily Residential
 - Mixed-Use Residential & Commercial
 - Village Commercial
 - General Business
 - Corridor Commercial
 - Limited Manufacturing
 - Government, Institutional, & Single-Family
 - Parks & Recreation
 - Private & Public
- ENVIRONMENTAL FEATURES
- Secondary Environmental Corridor
 - Isolated Natural Resource Area

The dual zoning classification identified for Government, Institutional, & Single-Family reflects that either use category is acceptable and that the Village is neutral in regards to either category.

Environmental Corridors and Isolated Natural Resource Areas were delineated in 2000 by SEWRPC. Configuration of the corridors is susceptible to change upon redelineation of the floodplain boundaries.
