The Village of Elm Grove's Recreation Department is committed to improving the quality of life for all residents of Elm Grove. This is accomplished by providing high quality parks and open spaces, facilities, programs and special events.

GENERAL INFORMATION

A Message from the Recreation Manager

Dear Elm Grove Community,

Welcome to our newly formatted *Fall–Winter–Spring Recreation Guide*! We're excited to introduce this extended edition, designed to help you plan for an entire school year's worth of activities and community offerings in one convenient place.

Inside, you'll find a wide range of opportunities—from youth enrichment and adult fitness classes to community events and partnership programs with local organizations. Whether you're looking to stay active, try something creative, or spend more time with your neighbors, there's something here for every age and interest.

Thank you for making Elm Grove a fun, welcoming, and engaged community. We look forward to seeing you in class, around the park, and throughout the seasons!

Warmly,

Logan Kein

GENERAL INFORMATION

ELIGIBILITY FOR PROGRAMS

All Village of Elm Grove recreation programs are open to residents & non-residents. The Village of Elm Grove Recreation Department reserves the right to limit the number of non-residents in any program. For registration purposes, a RESIDENT is anyone who lives within the boundaries of the Village of Elm Grove or pays property taxes to the Village of Elm Grove AND the Elmbrook School District. A NON-RESIDENT is anyone who does not reside within the boundaries of the Village of Elm Grove and does not pay property taxes to the Village of Elm Grove AND the Elmbrook School District. Non-resident participants contribute an additional fee or surcharge to offset their non-tax status for programs.

PROGRAM FEES

Program fees and charges are assessed in order to help defray the cost of program operations. All non-resident program fees are 1.5 times those of residents. All non-resident facility rental fees and aquatic activities shall be 2 times those of residents. ALL FEES MUST BE PAID AT THE TIME OF REGISTRATION.

PROGRAM REFUND POLICY

Persons registered for a program which is cancelled by the Recreation Department shall receive a full refund of fees. If participants cancel their registration 14 days or more prior to the start of the program, they shall receive a refund minus a \$5.00 service fee for each transaction. NO REFUNDS OR CREDITS WILL BE ISSUED WITHIN 14 DAYS OF THE START OF CLASS. THERE IS NO PRORATION FOR CLASS FEES.

CANCELLATION OF PROGRAMS

Programs may be cancelled due to low enrollment, inclement weather, or under extreme circumstances. When possible, cancellation information may be obtained by calling the Recreation Department at 262-782-6700. If inclement weather causes cancellation of a class, effort will be made to schedule a makeup time if possible, except where noted in individual classes.

ACCESSIBILITY

If you need special accommodations for participation in programs due to a disability, contact the Recreation Manager at 262-782-6700. Please give as much notice as possible.

WAITING LISTS

If the class you wish to register for is full, you may place your name on our waiting list. Every effort will be made to accommodate those on the waiting lists. Should an opening occur, we will contact people in the order they were placed on the list. If numbers warrant it, another class may be added.

PROGRAM LEADERSHIP

Qualified, competent leadership is the key to any successful program! The Elm Grove Recreation Department attempts to employ such leaders in all of its programs. Our current instructors welcome the opportunity to discuss participants' progress with parents. If you would like your child's instructor to contact you, or if you feel you are qualified to lead, instruct, or officiate a specific program, please contact the Recreation Department at 262-782-6700.

INSURANCE

The Village of Elm Grove does not provide hospital, medical, dental, or accident insurance coverage for people participating in recreational programs or activities. Program participants are strongly encouraged to obtain their own insurance coverage prior to the start of any program or activity. Absence of personal health insurance coverage does not make the Elm Grove Recreation Department responsible for payment of a participant's medical coverage. All participants in Department sponsored activities must assume risk for all injuries. The Elm Grove Recreation Department will not be liable for personal liabilities or accidents.

SAY CHEESE!

For program promotion purposes, we will be photographing several activities and their participants. The photos have the potential to appear in future brochures & promotions. If you do not wish to have your photo taken, please notify the Recreation Department in advance.

OOPS!

Occasionally, there may be errors in the days, times, registration requirements, or fees noted in the brochure. If so, the Recreation Department will do everything possible to correct the situation promptly. Thank you for your patience and understanding should these situations arise.

FACILITY RESERVATIONS/PROGRAM REGISTRATION

PICNIC AREAS

Two covered picnic areas are available for families or groups, see our website for details of each facility.

TENNIS/VOLLEYBALL COURTS

Courts may be reserved from 8:00am-10:00pm Monday-Friday and 12:00pm-10:00pm Saturday & Sunday.

PICKLEBALL COURTS

There are pickleball courts painted on tennis courts 4, 5, 6, and 9. Each tennis court includes two pickleball courts. Residents can use their own equipment or borrow nets from Elm Grove which are located in bins on the court. Please note the equipment will be removed from the courts for the winter season.

POOL/SPLASH PAD

The pool/splash pad is available for private pool parties on Tuesday, Thursday & Saturday evenings from 6:30pm-9:00pm. Renters will be given 30 minutes past the end of their rental to allow for clean-up. The pool and pool facilities will close promptly at 9:30pm following a rental.

*A **NON-REFUNDABLE** fee is required for each area being reserved. In the event the Village determines the pool is closed due to weather or other circumstances, Village Staff shall communicate with the renter to reschedule their rental to another available date within the same calendar year as the original rental request, at no additional charge to the renter. If no dates are available in the same calendar year as the original rental request, or the renter does not wish to reschedule, the renter shall be issued a 50% refund for their rental fee.*

Resident reservations for picnic or pool rentals begin the first working day of January each year.

Non-resident reservations for picnic or pool rentals begin May 1.

All reservations are made on a first come, first served basis and must be made through the Recreation Department web page.

CONCUSSION INFORMATION

Due to the increase in concern for concussions in youth sports, there is now a Wisconsin Concussion Law. The Elm Grove Recreation Department requires all participants to review the concussion information prior to registering for programs. Our participants' safety is our number one concern.

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a 'ding', 'getting your bell rung', or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS & SYMPTOMS OF A CONCUSSION?

Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom free and OK to return to play.

SIGNS OBSERVED BY COACHING STAFF:

- Appear dazed or stunned
- Forgetfulness/confusion
- Moves clumsily
- Answers questions slowly
- Loses consciousness
- Shows mood or behavior changes

SYMPTOMS REPORTED BY ATHLETES:

- Headaches or pressure in the head
- Nausea or vomiting
- Balance problems or dizziness
- Blurry vision
- Sensitivity to noise
- Concentration or memory problems
- Confusion
- Feeling sluggish, hazy or groggy

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body, they exhibit any of the following danger signs:

- One pupil larger than the other
- Cannot be awakened
- A headache that gets worse or slurred speech
- Convulsions or seizures, repeated vomiting
- Cannot recognize people or places
- Becomes increasingly confused or agitated
- Loses consciousness for any amount of time

WHY SYMPTOMS SHOULD BE REPORTED:

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is healing, they are more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain, and can even be fatal.

WHAT SHOULD YOU DO

IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom free and are OK to return to play. Rest is the key to help an athlete recover. Exercise or activities that involve a lot of concentration may cause concussion symptoms to reappear or worsen. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

WHY SHOULD PARENTS & ATHLETES

BE AWARE OF THIS INFORMATION?

Wisconsin Act 172 relates to concussions and head injuries sustained in youth activities. The law requires all youth athletic organizations to educate coaches, athletes, and parents on the risks of concussions and head injuries and prohibits participation in a youth activity until the athlete and parent/guardian has returned a signed agreement sheet indicating they have reviewed the concussion and head injury material. The law requires immediate removal of an individual from youth athletic activity if symptoms indicate a possible concussion. A person who has been removed from a youth activity for this reason may not participate again until he/she is evaluated by a health care provider and receives written clearance to return to the activity.

FLOODPLAIN INFORMATION

The Village of Elm Grove has initiated flood mitigation projects in an effort to reduce the risk of flooding and improve flood risk awareness and preparedness in the Village.

Floods are one of the most common hazards in the United States. The effects of floods can be local, impacting a neighborhood or community, or very large, affecting entire river basins and multiple states.

The current Flood Insurance Rate Map (FIRM, floodplain map) for the Village went into effect on November 5, 2014. The FIRM has taken into account the Village's extensive flood mitigation efforts. The current floodplain maps as well as the current Flood Insurance Study (FIS) are available for viewing at Village Hall and the Elm Grove Public Library located at 13600 Juneau Blvd. You may also view the maps on the Village's website www.elmgrovetwi.org or may be accessed on FEMA's webpage www.fema.gov. Village staff can assist you in determining if your property is located within the floodplain.

It is important to note that even though individual properties may not be included within the 100-year floodplain boundary provided by FEMA, there is still a chance that your property may be at risk from flood damage. Homeowners within and outside of the floodplain may purchase flood insurance to protect their homes and their valuables. Insurance is available from the federal government or through a private insurance provider. If you already have flood insurance, check with your insurance provider to ensure that you have insurance on both your home and the contents within it. More information on flood insurance can be found at www.floodsmart.gov.

You can also take steps to reduce the risk of flood damage. These steps include installing landscaping features to absorb excess water in the ground, directing downspouts away from the home, keeping window wells free of debris, properly disposing of grass clippings and other debris, and grading to direct water flow away from your home. Publications are available at Village Hall outlining various aspects of flooding. Village staff is also available to assist property owners and make recommendations on how to reduce flood risks.

Pictures of past flooding events are available for viewing at Village Hall. If you are interested in looking at photos from the 1973, 1998, 2007, 2008 or 2009 flooding events, please stop by the front desk of Village Hall and ask to view the Flooding Pictures.
